Thunder Bay

Dear Leadership Thunder Bay Alumni:

The Leadership Thunder Bay **ACE (Acknowledging Community Engagement)** Awards were created in 2012 to recognize the contributions and connections of Leadership Thunder Bay alumni to our community. We are happy to announce that this year our ACE awards will be presented at the LTB Graduation on November 19th, 2020 at the DaVinci Centre.

We need your involvement by nominating your fellow LTB alumni! This is your opportunity, as a graduate of the Leadership Thunder Bay program, to nominate a Leadership Thunder Bay colleague so that their contributions to our community can be recognized. Please simply submit one or more names together with a short summary of why you believe they deserve this award.

The Engagement and Development Committee will select up to three individuals to recognize with an ACE Award. The nominee, or someone on their behalf, should be in attendance to receive the award. Please take the time to nominate a deserving alumni member. When preparing your submission, consider how the nominee has achieved results for the community through one or more of the following ways:

- Demonstrate leadership and support team efforts through their work and/or volunteer activities;
- Value and recognize the contributions and perspectives of others;
- Make diversity, inclusiveness and collaboration a part of their work; and/or
- Serve as a role model for leadership and community involvement.

Please complete the fields below and forward to me by email at mavillel@lakeheadu.ca no later than Thursday, November 5, 2020. Feel free to contact me if you have any questions at (807) 627-2148.
